## FEEDBACK SYSTEM ACTION TAKEN REPORT-2023-24

The university views the curriculum as the fundamental basis of education. IQAC routinely requests feedback on curriculum from various kinds of stakeholders, such as teachers, employers, students, and alumni. Following the collection and analysis of the input, a report is written and forwarded to the relevant authorities for further action. The principal and the IQAC coordinator were instructed by the College Government Council on how to respond to the issues raised by the stakeholders.

### 1. Action Taken Report on Students' Feedback

- The college plans to host unique courses on ethics principles and competitive testing.
- To foster creativity, offer opportunities, and equip students with specialized training to become self-sufficient, IQAC encourages all departments, committees, and cells to host a certificate course on certain subjects.
- To generate interest in the curriculum, all departments under IQAC host events, webinars, seminars, special lecturers, and quizzes on different subjects.
- We might want to guide the affiliated university to modify the curriculum with a concentration on the connections between chapters and regional specifications. Texts and reference books are available to all the students and subscriptions for inflibnet has already done. From next academic year access will be given to all.

### 2. Action Taken Report on Teachers' Feedback.

- Establishes skill-focused programs to assist students in developing the competencies required to address global issues.
- Provides courses and certificate programs in career-focused areas such communication skills, computer application fundamentals, soft skills development, personality development, accounting, and sericulture.
