The Science Forum has established in the year 1992. The Science Forum is established to create awareness and interest among the students on Science. It dedicates time and temper by holding seminars, workshop and competitions.

A Science Forum in college typically serves as a platform for students and faculty to engage in discussions, share research findings and explore various scientific topics. It facilitates the exchange of ideas ,promote intellectual curiosity and foster a sense of community among students interested in Science. They often include presentations, workshop and seminars,providing opportunities for networking, collaboration and gathering insight into different scientific disciplines. Participating in a Science Forum can enrich the educational experience and contribute to the overall development of students pursuing scientific studies. Overall, Science Forum aims to enrich the academic experience, inspire curiosity and prepare students for the dynamic and collaboration nature of the scientific community.

Objectives

1. To facilitate the exchange of scientific knowledge and research finding among students and faculty
2. To encourage the students for critical thinking and analytical skills through discussions on scientific theories, methodologies and applications
3. To provide a platform for students to connect with peers, professors and professionals scientist in the scientific community and fostering networks
4. T promote collaboration efforts among students for research projects, experiments and inter disciplinary initiatives
5. To encourage students to engage in independent or collaboration research.

VISION

To establish of platform for the dissemination and creation of knowledge through teaching and research in Physics at various levels. To help create a scientific which encourages logical thinking.

MISSION

1. To offer state of the art Academic Programs in Physics and interdisciplinary areas.
2. To create intellectual property through innovation, quality research publications and patents.
3. To create state of the art research laboratories which will facility the researches of the other academic institution .

Function / Activities

1. To celebrate Science Fest and Science Day
2. To arrange special or guest lecture on various topics
3. To arrange Science Quiz and Competition
4. To arrange Science exhibitions
5. To organize certificate courses, Nature Trips, Educational Tours and Industry Visits.

Committee list

Sl. No	Name	Designation
1	Prof A.V.Pattar	Chairman
2	Smt. V.R.Basaraddi	members
3	Smt S.B.Meti	members
4	Dr. M. K. Gavimath	members
5	Shri S.B.Belagali	members
6	Dr. S.H.Modi	members
7	Shri A.H.Hiremath	members
8	Dr S.S.Sabarad	members
9	Smt R.S.Mathapati	members
10	Shri S.M.Sangannavar	members
11	Shri A.T.Lamani	members
12	Shri G. P.Kottur	members
13	Shri R.B.Goudar	members
14	Shri S.B.Byali	members
