Policy document on Code of ethics

Code of conduct for students, teachers, administrators and other staff.

This document on code of Ethics for students, teachers, administrators and other staff has been prepared to provide a broad view of the institutional policies and guidelines to all the stakeholders of our college. Everyone has to comply with these guidelines for smooth and meaningful conduct of academic and co-curricular activities.

In cognizance of the magnitude of the responsibility inherently involved in education system, all the concerned stakeholders including governing body, staff and students need to accept and adhere to the highest ethical standards. This system of corrective measures in place will help the institution administration to identify any kind of breach in code of conduct. If necessary, administration will immediately adopt necessary corrective steps for restoring the desired professional ethics and human values.

A code of ethics is a policy statement designed to guide employees in decision making. As a form of a ethics as a guide of principles for our colleagues in academic, curricular and co-curricular conduct with honesty and integrity.

As per our vision, a code of ethics includes six universal moral values, where we believe that students, teachers, administrators and other staff are trustworthy, respectful, responsible fair kind and good citizens.
