DEPARTMENT OF U.G. STUDIES IN ENGLISH

CERTIFICATE COURSE ON GENERIC ENGLISH GRAMMAR- 2023-24

REPORT

Generic English Grammar Certificate course was conducted for U.G students from 01-05-2024 to 30-06-2024 at 1.00 pm to 2.00 pm., at the class room, in 30 hours, to develop their language skills, by the Dept. of U.G. Studies in English. 100 students were attended and got the certificates. Arranged a special lecture on 13th June at 10.30 am at the class room by Dr. M.H. Jogi, Hod of P.G. studies in English, Shri S.R. Kanthi College, Mudhol.

This course is to develop students' basic language skills in the context that they will most need those skills: graduate school. Students will learn the knowledge of literary devices and genres. Additionally, students will learn to start and continue a conversation naturally, using a number of language communication strategies such as asking follow-up questions and giving extended answers. They will also learn about turn taking and how to control the flow of a conversation by adding information.

The focus is on developing the skills of reading, writing, listening, and speaking. By providing suitable examples, the students will be exposed to various forms of personal and professional communication via language. The self-learning tasks designed will facilitate to enhance effective skills in a modern, globalized context.

CERTIFICATE COURSE ON EXPERT SYSTEM- 2023-24

REPORT

Expert System Certificate course was conducted for B.C.A students from 20-05- 2024 to 30-06-2024 at 12.00 pm to 01.00 pm, in the class room, in 30 hours, to develop their Technical skills, by the Dept.of B.C.A Studies.30 students were attended and got the certificates Arranged a special lecture on 20th June at 12.00 am at the class room by Dr. Vinayak Telasang, Head of Department AIML BGMIT, Mudhol.

The Resource Person Dr. Vinayak Telasang Tought The basic Concepts of Artificial Intelligence with the advancement of Technology, and Expert System Evaluation with its popularity. They aim solving Particular problem with the way a human expert could have solved.

The way human expert uses his knowledge for solving some problem, an expert system solves the problem on the the basis of some key base knowledge, range of the knowledge, Logic and inferences. In case of human expert, knowledge base is mostly factual, whereas, in case of an expert system, knowledge is logical. Today expert systems are frequently used in many fields of life like business,science,engineering ,manufacturing and medicals.
